Hi Warren—

Just wanted to circle back on the below and see whether you agree with these next steps. If you do, we're glad to draft up a dismissal for your review.

Thanks,
Josh

Hi Warren—

Thank you for filing the notice of dismissal in the Fourth Circuit on Tuesday. We wanted to follow up on next steps in the district court. We'd propose that you file a short notice of voluntary dismissal in that court as well. As noted in the draft dismissal we circulated last Monday, Defendants Mooney and Stankwytych are looking for finality with this dismissal, and are willing to agree to waive their right to seek costs in exchange for a release from all known claims that Chris may have against them. If you agree with that approach, we can send you back a draft dismissal (updated to account for the dismissal of the appeal) for your review. As noted previously, we also think DOJ will need to be informed before this is filed.

Please let us know what you think, and glad to hop on a quick call to discuss if that is most efficient.

Thanks,
Josh
